

League of Women Voters Cape Cod Area Presents

A Forum on Ranked Choice Voting **(A Simple Change to the Way We Vote)**

The League of Women Voters of the Cape Cod Area plans a presentation by Joel Paul of Voter Choice Mass, followed by Q&A with the audience.

In most elections today, you pick one candidate. With Ranked Choice Voting, you can rank multiple candidates in the order you prefer them — 1st choice, 2nd choice, 3rd choice, and so on. If your 1st choice can't win, your vote instantly counts toward your backup choice.

With RCV, your vote stays in play until one candidate wins with a majority — more than 50% — of the vote. If used for Massachusetts elections, Ranked Choice Voting would bring more voices and choices into our political process and ensure outcomes that more accurately reflect the will of the voters.

Come learn about the benefits of RCV!

Thursday, March 28 from 5:30 – 7:00 pm
(Wine & Cheese at 5:30)
Cape Cod Media Center
17 Shad Hole Road, Dennis

The League of Women Voters presents unbiased, nonpartisan information about elections, the voting process and issues. We sponsor forums and discussions, and encourage voter registration. Visit us at www.lwvcapecod.org
